

SOLID OAK PARQUET

The classic parquet design offers a timeless and versatile enhancement to both traditional and modern homes, imparting a touch of elegance. Its durability renders it suitable for various spaces such as hallways and lounges, with the charm of real wood.

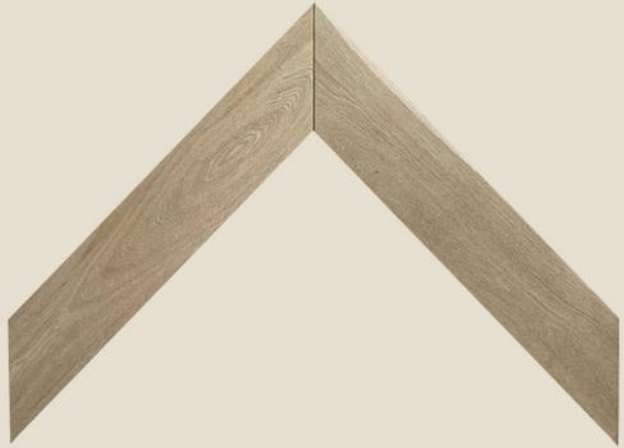

SOLID OAK PARQUET

A popular choice for furniture, floors, and construction, comes in a light to medium brown shade with a hint of gray or olive. The lighter sapwood, about 4 inches wide, adds to its natural charm.
